

Geraniol Insect Repellent Products

Towelette

Insect Repelling Towelettes

The towelette is a very handy, easy to use method of applying Geraniol insect repellent. This package contains 2 4"x8" pretreated towelettes folded and packed in a 3"x4.5" foil pack. Geraniol has been extensively tested by the University of Florida and found to be the best insect repellent available today. Bugband towelettes provide hours of protection from blood feeding insects and is environmentally and child safe. Bugband towelettes do not contain Deet or any other controversial ingredients.

Applications

Perfect for all outdoor work and play activities such as gardening, lawn maintenance, camping, fishing, backpacking, golfing, hunting, beach vacations or cookouts. Easy to use, safe and effective these towelette packs are ideally sized to fit into pockets, carrying cases or toolboxes. Towelettes allow for exact application of Geraniol on exposed skin, easy to use around face or neck without over spray. The towelettes can be folded and stored in the foil container for future use.
